2015
Annual Transport
Permission Form

Dear Parent / Caregiver

Throughout the year our students need to be transported to and from certain activities, ie Arts
Council, Eisteddfod, sport, excursions. Please sign this annual permission form allowing your
child/children to be transported to and from Applethorpe State School for all activities during the year
of 2015. Transport can be by bus, private car or by walking. Parents will always be notified in the
Newsletter of such activities.

Should you wish to deny permission on a particular occasion, you will need to notify the school
office.

NP This system will reduce the need for so many permission slips throughout the year.
